Dear Elizabeth,

I regret for the inconvenience, but the Officejet D135 cannot print the fax log report from January onwards. The Officejet D135 fax log will update automatically if it exceeds more than forty faxes and all the previous fax log information will be overwritten one by one.

Elizabeth, as a workaround, print the Officejet D135 fax log periodically.

If you need further assistance, please reply to this message, we will be happy to help you.
